

# How To Create a Yahoo Email Account

1. Open a web browser on the Internet and go to <http://www.yahoo.com>
2. Click on the “Mail” icon.

3. Click on “Create New Account”

4. Fill out the required information and click “Create My Account” If it doesn't continue scroll up and look for items marked in red that need to be fixed.

Secret Question 2

Your Answer

---

Type the code shown

By clicking the "Create My Account" button below, I certify that I have read and agree to the [Yahoo! Terms of Service](#), [Yahoo! Privacy Policy](#) and [Mail Terms of Service](#), and to receive account related communications from Yahoo! electronically.

- I would suggest printing the account details or at least writing them down. I'm not a big fan of tool bars but they give you the option to install the Yahoo tool bar which can make it easier to get your yahoo mail. If you would like the yahoo tool bar to install place a check mark in the box that I have highlighted in yellow. Then click "Continue" to proceed to your new mail box.

## Congratulations, Tom!

A confirmation message was sent to you via email.

### Below are your account details
